

RESEARCH STATEMENT

My research interests concern the origins and consequences of political identities at the intersection of comparative politics, historical political economy and international relations. I rely on novel observational data and computational methods to measure and study nationalist and ethnic processes in new settings and with innovative research designs. My other research interests concern the dynamics of public opinion and religious clientelism.

EMPLOYMENT

- Mamdouha S. Bobst Center for Peace and Justice, Princeton University
Postdoctoral Researcher Princeton NJ, USA
September 2024–August 2025

EDUCATION

- University of California Berkeley, ISEES
Visiting Scholar Berkeley, USA
Host: John Connelly, PhD
